"I had Paul and the Cleveland Basketball School come down for one of our 10 coaching days this summer. I thought this day was the most beneficial day we spent with our team all summer. Our staff is always looking for ways to motivate our players on what it takes to improve on their own in the off-season. Paul's drills and message he gave our players that day was outstanding!!" -

Larry Kukura, Alliance Boys Basketball Coach

"This summer a dozen of our players participated in Cleveland Basketball Schools program. Simply put, it made a huge difference in their ball handling skills, passing, shooting and confidence. Coach Haught and his staff do an excellent job in detailed instruction and use a number of innovative drills to build skills. I was also impressed with the positive way instruction is provided. Our players loved it and every one of them improved. After seeing one session at CBS I recommended it to every player in our program. We could not have asked for better results." - Coach Gary Tipton
